WELCOME TO FLORIDA INTERNATIONAL CLUB

Welcome!

We are pleased you are interested in joining WFLIC. Applications are accepted on a rolling basis and will close once the 2020-2021 class is filled. We again anticipate a high number of applications and encourage you to apply early. Once the application process opens in November, you will be able to complete and submit the application online. Paper applications are not accepted. Your journey to become a member will familiarize you with all our Club has to offer and provide an opportunity for you and current members to become acquainted. Please note that all applicants are required to fill in an application online, even if you submitted an application in the past.

Our Purpose

Our Purpose is *Building Bridges of International Understanding*. Our members are active, engaged and willing to volunteer for the benefit of the club. This is also the fastest way to get to know our membership and enjoy all the club has to offer. It is only through an active membership that we will remain strong and grow. As you fill in this application, please take special care to fill in the special interest groups in which you would like to participate as well as other areas of interest where you would be willing to become involved.
